

God has a covenant with Israel that will never be broken. He has revealed a destiny for the nation Israel which will soon be completed. Since they became a nation in 1948, modern Israel has been far outnumbered by enemies on all sides, but they have repeatedly prevailed against all odds. Their success is due to God's miraculous intervention in helping them while keeping their enemies divided against themselves. However, an ancient prophecy recorded in Psalm 83 reveals a time coming when Israel's enemies will no longer be divided, but will "conspire together with one mind" to "wipe them out as a nation, that the name of Israel be remembered no more." This Psalm 83 prophecy of the unification of Israel's enemies has not yet been fulfilled. When it happens, it will be the greatest threat modern Israel has ever faced and they will need God's help more than ever before.

"GOD'S JUDGEMENT FOR DIVIDING ISRAEL"

God continues this theme in the book of Joel where He talks about those who would dare to "Part My Land"...eventually, God foresaw this mad rush by political leaders living in the end times to divide up the land of Israel and take it for themselves and their own purposes. (Joel 3:1,2) **The LORD says, "At that time I will restore the prosperity of Judah and Jerusalem. I will gather all the nations and bring them to the Valley of Judgment. There I will judge them for all they have done to My people. They have scattered the Israelites in foreign countries and divided Israel, My land."**

"OWNERSHIP OF ISRAEL BELONGS TO GOD"

I want you to see here is exactly who claims ultimate ownership of the land of Israel. I will give you a clue - it's not the Jews, and it is certainly not the Muslims. It is Almighty God Who says that it is His land, and He alone will make the final decision on who gets it. True, He has given it to Israel for an 'everlasting possession' but even Israel cannot give it away.

Pray for God's intervention on behalf of Israel January 15th 2017. Pray of the Peace of Jerusalem!

(Psalm 121:1-4) "I will lift up my eyes to the hills—From whence comes my help? My help comes from the LORD, Who made heaven and earth. He will not allow your foot to be moved; **He Who keeps you will not slumber. Behold, He Who keeps Israel shall neither slumber nor sleep.**"

January 15, 2017 "70 Nations Will Gather In Paris To Discuss The Future Of Israel"

"For thus said the LORD of hosts regarding the nations that plundered you: Truly, one who touches you touches the apple of My eye." (Zechariah 2:8) On January 15th, representatives from 70 different countries will gather in Paris Jussieu in Paris, France for an unprecedented global conference. The stated goal of this conference is to promote a "Two-state Solution" as the way that lasting peace will be brought to the Middle East. Yet the two parties whose fate the meeting is aimed at deciding, namely Israel and the Palestinians, have only been invited to meet separately at the conference's conclusion. In Israel, there is a tremendous amount of concern that whatever is agreed upon at this conference will immediately be used as the basis for a UN Security Council resolution that would permanently divide the land of Israel and create a Palestinian state. Resolution 2334 that passed in December 2016 made all Israeli settlements in the West Bank and in East Jerusalem illegal, it set the 1967 ceasefire lines as the border between the Israelis and the and it granted every single inch of East Jerusalem to the Palestinians. But it stopped short of giving official UN Security Council recognition to a Palestinian state, and that is why this conference on January 15th is so important. Resolution 2334 condemns all Jewish communities in Judea and Samaria, including those in East Jerusalem and the Old City, as a gross violation of international law and a major stumbling block to peace between Israel and the Palestinians. The recent UN resolution pits the world against Israel by demanding Israel halt settlements within their own borders and by forcing them to divide their land, including Jerusalem. **The bible says that when you mess with Israel, you mess with God Himself! "I will bless those who bless you, and the one who curses you I will curse;"** (Genesis 12:3)

"This Is Not a Peace Conference"

"This is not a peace conference. It's a tribunal against the state of Israel, a conference whose whole point is to harm the security of Israel, its good name — a trial against Israel," Israel's Defense Minister Avigdor Lieberman said.

"Judgment On Esau"

"Esau Trades His Birthright"

Esau represents the enemies of Israel because he was the original enemy of his brother Jacob, whose name was later changed to Israel. Esau became one of the original fathers of the Arab people through his marriage to the daughter of Ishmael, the oldest son of Abraham. (Genesis 28:9) "So Esau went to Ishmael and took Mahalath the daughter of Ishmael, Abraham's son, the sister of Nebajoth, to be his wife in addition to the wives he had." After Esau traded

his birthright for a single meal, the blessings that should have gone to him went to his brother Jacob instead. Instead of speaking blessings over Esau, their father Isaac spoke blessings over Jacob and curses over Esau, which included living by the sword and being the servant of his brother. Isaac said these curses would remain in effect until the day Esau takes dominion over Jacob, whose name was later changed to Israel (Genesis 27:39-41). Then his father Isaac answered him: "See, away from the fatness of the earth shall your home be, and away from the dew of heaven on high. By your sword you shall live, and you shall serve your brother; but when you break loose, you shall break his yoke from your neck." Jacob Escapes Esau's Fury. Now Esau hated Jacob because of the blessing with which his father had blessed him, and Esau said to himself, "The days of mourning for my father are approaching; then I will kill my brother Jacob." Esau and his descendants have been waging war against Israel and his descendants ever since. (1 Samuel 14:47) "When Saul had taken the kingship over Israel, he fought against all his enemies on every side— against Moab, against the Ammonites, against Edom, against the kings of Zobah, and against the Philistines; wherever he turned he routed them." (2 Kings 8:20-22) "In his days Edom revolted against the rule of Judah, and set up a king of their own. Then Joram crossed over to Zair with all his chariots. He set out by night and attacked the Edomites and their chariot commanders who had surrounded him; but his army fled home. So Edom has been in revolt against the rule of Judah to this day. Libnah also revolted at the same time."

"The Spirit Of Esau"

In the seventh century, Esau's descendants adopted a new religion, Islam, whose primary goal is to take dominion over the earth and over Israel in particular. Islamic Extremists is more of a political ideology

bent on world domination than a religion. From its' beginning, they have manifested the same murderous spirit that was on their father Esau, as demonstrated by their terrorist activities throughout the world.

"PSALMS 83 PROPHETIC WORD FOR WORLD WAR III"

God, do not keep silence; do not hold Your peace or be still, O God! Even now Your enemies are in tumult; those who hate You have raised their heads. They lay crafty plans against Your people; they consult together against those You protect. They say, "Come, let us wipe them out as a nation; let the name of Israel be remembered no more." They conspire with one accord; against You they make a covenant—the tents of Edom and the Ishmaelites, Moab and the Hagrites, Gebal and Ammon and Amalek, Philistia with the inhabitants of Tyre; Assyria also has joined them; they are the strong arm of the children of Lot. Selah Do to them as You did to Midian, as to Sisera and Jabin at the Wadi Kishon, who were destroyed at Endor, who became dung for the ground. Make their nobles like Oreb and Zeeb, all their princes like

Zebah and Zalmunna, who said, "Let us take the pastures of God for our own possession." O my God, make them like whirling dust, like chaff before the wind. As fire consumes the forest, as the flame sets the mountains ablaze, so pursue them with Your tempest and terrify them with Your hurricane. Fill their faces with shame, so that they may seek Your name, O LORD. Let them be put to shame and dismayed forever; let them perish in disgrace. Let them know that You alone, Whose name is the LORD, are the Most High over all the earth.
