

The sign will happen on Sept. 23, 2017 on the exact same day as "Feast of Trumpets" EXACTLY. The Feast of Trumpets, along with the other six festivals of the LORD, foreshadowed certain aspects of the ministry of Jesus Christ. The prophets linked the

blowing of trumpets to the future Day of Judgment: "Blow the trumpet in Zion; sound the alarm on my holy hill. Let all who live in the land tremble, for the day of the LORD is coming. It is close at hand" (Joel 2:1); see also Zephaniah 1:14, 16). In the New Testament, we see that the Lord's Second Coming will be accompanied by the sound of a trumpet (1 Corinthians 15:51-52; 1 Thessalonians 4:16-17). Each of the judgments in Revelation 8-9 is also signaled by a trumpet. Just as the shofar called the Jewish nation to turn their attention to the Lord and ready themselves for the Day of Atonement, so will the "Trump of God" call us to heaven and warn the world of coming judgment.

Hebrew Calendar

The year 5777 on the Hebrew calendar began in October of 2016 and ends October 2017. If the calculations of when the first Jubilee year occurred is correct, then this Hebrew year 5777 marks 70 jubilees.

The number 5 in 5777 represents God's grace. Much like we often drop the first one or two digits from a year, such as writing "2017" and "17" the Jews also sometimes abbreviate a year by dropping the first digit. So, "5777" would become "777" a Trinity of completeness or divine perfection. Some take this to mean the perfect completion of the church age, also called the age of Grace.

- The number 5 is the number of God's grace.
- The number 7 is the number of completeness or Divine perfection.

Now concerning the number 50: remember every 50th year is a Jubilee year. The number 50 can be found 154 times in the Bible. The most significant fact for this discussion is that every 50th year is a Jubilee year for the Jews (Leviticus 25:8-10) **It Is The 50th Anniversary Or Year Of Jubilee For Jerusalem.**

- It Is The 120th Jubilee From Adam.
- It Is The 70th Jubilee Since Canaan. (According to the Bible a generation is 70 years (Psalm 90).
- It Is The 40th Jubilee Since Christ's Death.
- It Is Also The 70 Year Anniversary Of The UN Resolution Allowing For Israel To Be Recognized As A State.

1. 1,260 Days since The First Blood Moon (April 15, 2014) (Revelation 12)
2. It Is The 500th Anniversary Of The Reformation.
3. It Is The 70th Anniversary Of The Dead Sea Scrolls.
4. 2017 Is The 70th Jubilee Since Exodus (1483 B.C).

"The Church Is Build On The Foundation Of The Apostles And Prophets"

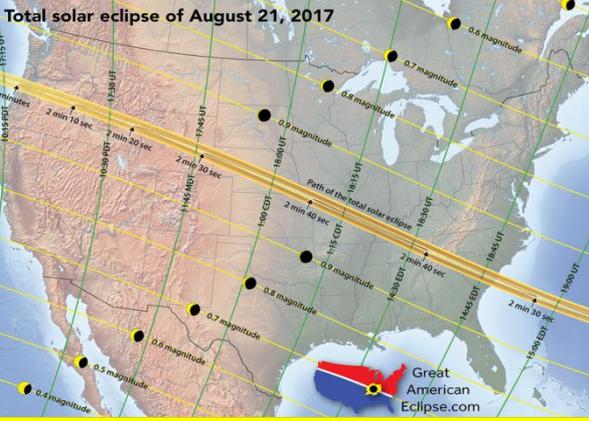

One-third of the Bible is prophecy—the future written in advance! The Bible is approximately 750,000 words, with about 250,000 devoted to many, many prophecies. Almost half the books of the Old Testament are included in either the so-called "major" or "former" prophets (Isaiah, Jeremiah, Ezekiel) or the "minor"

or "latter" prophets (Daniel, Hosea, Joel and 10 others). The apostle Paul explained that the New Testament Church was "...built on the foundation of the apostles and prophets" (Eph. 2:20). Recognize that, since the Church stands on the words of the prophets and **Jesus Is The Chief Corner Stone!** Christians are to understand prophecy. If God commands men to "Live By Every Word Of God" (Matt. 4:4; Luke 4:4; Deut. 8:3), He would not exclude the full third that is prophecy! The prophet Daniel spoke of a time when "...many shall run to and fro, and knowledge shall be increased" (12:4). This has happened! Then, speaking of the end time, he said, "...the wise shall understand" (vs. 10). God has opened up—revealed!—to His servants what lies ahead. He may want you to understand. He does not want those who obey Him confused, ignorant or fearful of the future. God is working out a supreme Master Plan, involving every human being. However, Daniel 12:10 adds, "...but none of the wicked shall understand," because God will not reveal His plans to those who do not obey Him! Psalm 111:10 says, "A good understanding have all they that DO His commandments." God only gives understanding to those who do what He says!

"Prophecy Through A Jewish Lens"

God reveals a basic framework for understanding future events. This framework is primarily laid out in Daniel and Revelation. Daniel, recorded 600 years earlier, sets the stage for the larger and more detailed book of Revelation, which describes many events nowhere else in the Bible. Christ never leaves His servants in the dark about matters He wants them to understand. But He does record them in ways that keep them hidden from the view of all others. This will help you see why so few understand a book that has been read by so many. The church tends to get caught in two extremes, date setting without looking at God's calendar or turning a blind eye to God's magnificence on display in the heavens. By taking the time to look at biblical prophecy through a Jewish lens. God's calendar and the signs in the heavens you cannot help but worship the Creator not bound by time, The Alpha and Omega, The beginning and the end, the God of Abraham, Isaac and Jacob.

The 'Great American Eclipse' as it has been called is to be a truly spectacular event. A rare aspect of this eclipse is that the path of totality occurs over just one country. This much anticipated eclipse is likely to be the most watched, most photographed and most televised astronomical event of a generation. The path of totality will begin in the middle of the North Pacific Ocean then race across no less than 14 states of the USA from West to East plunging the landscape in to darkness for a over 2 minutes. The corridor of the Moon's shadow will reach over 70 miles in width. Millions of Americans will live within easy reach of the total phase of this eclipse known as totality. Countless numbers of people will be making travel

plans across the United States for August 2017. On this day, the moon will pass directly between the earth and the sun, casting a shadow on the United States that will track from Oregon to South Carolina. This will be the first time since 1918 that a total solar eclipse will be visible from the west coast to the east coast of the United States. The most recent total solar eclipse visible in the United States occurred in 1979; however, it was only visible across the Pacific Northwest.

Significant Biblical Dates And Times

- * The August eclipse occurs exactly 33 days before the Revelation 12 Sign.
- * Beginning in the 33rd state (Oregon), and ending in South Carolina at the 33rd parallel.
- * It's been noted that an eclipse like this hasn't happened in 99 years.
- * That would be 3 x 33 years. What might God be communicating?
- * The eclipse is also exactly 40 days from Yom Kippur (The Day of Atonement). This 40 day period leading up to Yom Kippur is more than random. "40" represents a period of testing in the Bible as can be seen in the 40 years the Israelites wandered in the wilderness and the 40 days Jesus was tested in the wilderness.
- * In fact, this period of time beginning on August 21st is called the Season of Teshuvah, which in the Jewish faith is a time to get right with God before judgment falls on the Day of Atonement.
- * It's been noted that the United States is the wealthiest, most powerful, and most influential Gentile nation. It is also the world's ethnic melting pot and hosts a proto-world government in the form of the United Nations.
- * On the last day of God's seven-day Spring festival, the 21st of the month of Nisan, the Eternal carried out His last judgment against the Egyptians. He drowned Pharaoh and his entire army in the Red Sea as they were pursuing the Israelites in order to make them slaves again.
- * The Ten Commandments of God were given in 17 verses to the twentieth chapter of the book of the Exodus. (20 –CHAPTER 17 VERSES= 2017)
- * The first major city that will witness the eclipse is Oregon's state capital, Salem. Salem is of course the shortened version of "Jerusalem", which is the most prophetically significant city in the entire Bible. Jerusalem was originally called "Salem" in the days of Melchizedek (Genesis 14:18) who was a foreshadowing of Christ. If that isn't interesting enough, the closest road to the exact point where the two eclipses cross is Salem Road in Makanda, Illinois.

Because the 2017 eclipse travels across the country from northwest to southeast and the April 8, 2024 eclipse makes its way through the nation from southwest to northeast, the two paths cross each other and create a zone of overlapping totality of almost 9,000 square miles. The 7 year Tribulation is also known as the Day of the Lord when God enters into judgment with the Gentile nations. The fact that two total solar eclipses, spaced seven years apart, cross the entirety of the contiguous United States, and form an 'x' over the chief Gentile nation on earth should give us pause.

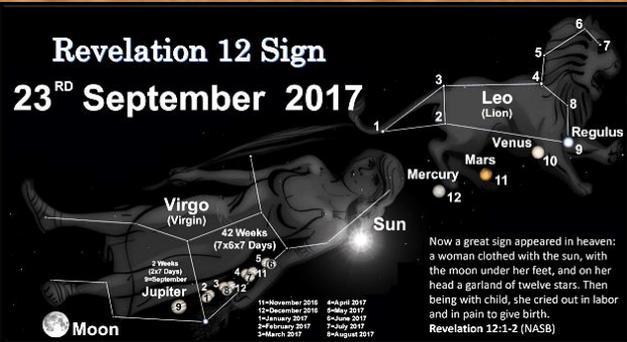

"X" Marks Carbondale Illinois - "Little Egypt"

The Carbondale area is referred to as "Little Egypt." Theories about the nickname's origins range from the region's supplying grain to northern and central Illinois during

A time of great famine. Egyptian influences are everywhere in Southern Illinois. The Egyptian Electric Cooperative provides electrical power. The Lake of Egypt was built by the Southern Illinois Power Cooperative south of Marion. The subdivisions dotting its shores bear names like Egyptian Hills, Pyramid Acres, Pharaoh's Gardens - you get the picture.

Revelation 12 Sign

23RD September 2017

The sign described in Revelation 12 hasn't occurred since this prophecy was written

down for us by the Apostle John. That means that this prophecy will happen in the future.

That is, the not too distant future. NASA confirms that the Revelation 12 sign will occur on September 23, 2017 and astronomers tell us that this celestial alignment won't occur again for another six thousand years. This is yet another confirmation from heaven that we're living in the very last of the last days. Beloved, this sign is intended for our time, not for some distant time that's far into the future. Over the centuries, Bible scholars, commentators, and theologians have been uncertain as to the meaning of the Revelation 12 sign. Many believe that's because this sign was meant to be understood only by the last generation. That's you and me. In our modern age, due to computer technology, astronomers are able to predict the movement

and alignment of the celestial bodies far into the future as well as model their movements and alignments centuries into the past. REVELATION 12:12 **"A great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth. Then another sign appeared in heaven: an enormous red dragon with seven heads and ten horns and seven crowns on its heads. Its tail swept a third of the stars out of the sky and flung them to the earth. The dragon stood in front of the woman who was about to give birth, so that it might devour her child the moment He was born. She gave birth to a Son, a male Child, Who "will rule all the nations with an iron scepter." And her child was snatched up to God and to His throne." The woman fled into the wilderness to a place prepared for her by God, where she might be taken care of for 1,260 days. Then war broke out in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back. But he was not strong enough, and they lost their place in heaven. The great dragon was hurled down—that ancient serpent called the devil, or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him. Then I heard a loud voice in heaven say: "Now have come the salvation and the power and the kingdom of our God, and the authority of his Messiah. For the accuser of our brothers and sisters, who accuses them before our God day and night, has been hurled down. They triumphed over him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death. Therefore rejoice, you heavens and you who dwell in them! But woe to the earth and the sea, because the devil has gone down to you! He is filled with fury, because he knows that his time is short." When the dragon saw that he had been hurled to the earth, he pursued the woman who had given birth to the male child. The woman was given the two wings of a great eagle, so that she might fly to the place prepared for her in the wilderness, where she would be taken care of for a time, times and half a time, out of the serpent's reach. Then from his mouth the serpent spewed water like a river, to overtake the woman and sweep her away with the torrent. But the earth helped the woman by opening its mouth and swallowing the river that the dragon had spewed out of his mouth. Then the dragon was enraged at the woman and went off to wage war against the rest of her offspring—those who keep God's commands and hold fast their testimony about Jesus.**

What Does Revelation Chapter 12 Mean?"

In Revelation chapter 12, John sees a vision of a woman "clothed with the sun, and the moon under her feet, and on her head a crown of twelve stars" (Revelation 12:1). Note the similarity between this description and the description that Joseph gave of his father Jacob (Israel) and his mother and their children (Genesis 37:9-11). **The Twelve Stars refer to the twelve tribes of Israel. So the woman in Revelation 12 is Israel.** Additional evidence for this interpretation is that Revelation 12:2-5 **speaks of the woman being with child and giving birth.** While it is true that Mary gave birth to Jesus, it is also true that Jesus, the son of David from the tribe of Judah, came from Israel. In a sense, **Israel gave birth—or brought forth—Christ Jesus.** Verse 5 says that the woman's child was **"a male child, who is to rule all the nations with a rod of iron; and her child was caught up to God and to His throne."** Clearly, this is describing Jesus. **Jesus ascended to heaven (Acts 1:9-11) and will one day establish His kingdom on earth (Revelation 20:4-6), and He will rule it with perfect judgment (the "rod of iron"; see Psalm 2:7-9). The woman's flight (Israel) into the wilderness for 1,260 days refers to the future time called the Great Tribulation. Twelve hundred, sixty days is 42 months (of 30 days each), which is the same as 3 1/2 years.** Halfway through the Tribulation period, the Beast (the Antichrist) will set an image of himself up in the temple that will be built in Jerusalem. **This is the abomination that Jesus spoke of in Matthew 24:15 and Mark 13:14. When the Beast does this, he breaks the peace pact he had made with Israel, and the nation has to flee for safety—possibly to Petra (also see Matthew 24; Daniel 9:27). This escape of the Jews is pictured as the woman fleeing into the wilderness. Revelation 12:12-17 speaks of how the devil will make war against Israel, trying to destroy her (Satan knows his time is short, relatively speaking—see Revelation 20:1-3, 10). It also reveals that God will protect Israel in the wilderness. Revelation 12:14 says Israel will be protected from the devil for "a time, times, and half a time" ("a time" = 1 year; "times" = 2 years; "half a time" = one-half year; in other words, 3 1/2 years).**
